

MAJORITY OF 2,500, CLAIM MADE BY SLEMP WORKERS

Congressman Gratified With Reports Given Him By His Constituents in Ninth District.

[Special to The Times-Dispatch.]
BRISTOL, Va., October 3.—The Republican Congressmen of the Ninth Virginia District met in Bristol this afternoon for a conference with Congressman C. B. Slemp, Republican nominee, and various county chairmen. All counties south of Clinch Valley were represented. Counties lying beyond the Clinch had conferred with Chairman Pendleton prior to today.

Representative Slemp expressed himself as gratified with reports received from the several counties, while chairman C. B. Pendleton said that a survey of the district, based upon reports thus far received, indicated that Slemp will carry the district by 2,500 or more.

Slemp headquarters were opened in the Newcomb building here on Monday, with Chairman Pendleton and James B. Hoge in charge, and the campaign will be waged vigorously from now on.

Speaking will begin next week. Besides several men of national prominence, who are to speak for Mr. Slemp, the following among the well known speakers in the district will take the stump: Colonel D. F. Bailey, of Bristol; T. J. Munsey, of Island; J. N. Harman, of Newmarket; Colonel J. S. Browning, of Tazewell; W. S. Poole, of Wythe; R. J. Davenport and H. Peyton Gray, of Washington; and the younger men who will make speeches are Claude Bond, of Scott; Ryland Craft, of Wise, and Ross McCorkle.

STREAMS ARE DYING UP ON ACCOUNT OF DROUGHT

[Special to The Times-Dispatch.]
LYNCHBURG, Va., October 3.—On account of the drought prevailing in central Virginia, small streams in the country districts are without water the first time in the memory of old residents. The supply in the Lynchburg storage reservoir on the Pedlar River, twenty-two miles from the city, has fallen nearly nine feet in the dam, which holds about 100,000,000 gallons. While the supply is not in danger yet it is but a few inches above the lowest record.

The government gauge in the James River here registers 0.1 feet, this being only 3 of a foot above the lowest point the river ever has touched here.

On account of the dry weather the farmers have done practically no fall plowing.

Electrical Company Fails.

[Special to The Times-Dispatch.]
LYNCHBURG, Va., October 3.—The Sterling Electrical Company, which has been doing a small electric contracting business here, has assigned to J. Carl Peck, trustee, for the benefit of creditors. The assets conveyed for creditors invoice about \$2,500, and the liabilities are \$900.

COSTS HOE ABOUT \$125,000 TO KNOW MISS SULLIVAN

Out of \$400,000 Left Him by His Father There Is Nothing Left—Will Not Compromise Either Case.

NEW YORK, October 3.—It has cost Arthur Hoe about \$125,000 so far to have known Miss Mae Sullivan, and out of the \$400,000 in cash which his father bequeathed him, there is nothing left. This was the statement made to-day by Edward G. Pringle, counsel for Hoe, in a formal denial that his client would compromise either of the two Supreme Court actions brought by Miss Sullivan, in which she asks damages aggregating \$225,000.

"Miss Sullivan and her friends have received directly and indirectly, nearly a third of the cash which Mr. Hoe inherited from his father. Her \$150,000 breach of promise suit last June resulted in a disagreement, and now she is going ahead with an action for \$75,000, based on her claim that my client promised her \$1,000 a month for life. We will fight the second action just as vigorously as we did the first, and there is not the slightest intention to compromise either case."

Relief for Catarrh Sufferers Now FREE

You Can Now Treat This Trouble in Your Own Home and Get Relief at Once.

How the Remedy for Catarrh Was Discovered.

THIS terrible disease has raged unchecked for years simply because symptoms have been treated while the cause of the trouble has been left to circulate in the blood, and bring the disease back as fast as local treatments could relieve it.

C. E. GAUSS, who experimented for years on a treatment for Catarrh, found that after perfecting a balm that relieved the nose and throat troubles quickly, he could not prevent the trouble beginning all over again.

On test cases, he could completely remove all signs of Catarrh from nose and throat, but in a few weeks they were back.

Goes to the Root of

Stopped-up noses
Constant "frog-in-the-throat"
Nasal discharges
Hawking and spitting
Snoring at night
Bad breath
Frequent colds
Difficult breathing
Smothering sensation in dreams
Sudden fits of sneezing
Dry mucus in nose
And any of the other symptoms that indicate approaching or present catarrh

Removes the Cause and Immediately Gives Relief to the Nose and Throat

Reese Jones, of Scranton, Penn., says that after trying many other treatments, he used this new method and—
"My nose is now entirely clear and free and I am not bothered by the disease any more. The New Combined Treatment is worth its weight in gold."
Temporary relief from catarrh may be obtained in other ways, but the New Combined Treatment must inevitably be accepted for permanent results.

Sarah J. Cape, Mount Pelia, Tenn., says, "I suffered the pains and distress of catarrh for thirteen years and needless to state, tried nearly every method, but by your new method I was completely cured and you cannot imagine the joy that has come over me."

Trial Treatment FREE

This new method is so important to the welfare of humanity, so vital to every person suffering from any form of catarrh, that the opportunity to actually test it and prove its results will be gladly extended without one cent of cost.

A large trial treatment, with complete, minute directions, will be sent free to any catarrh sufferer.
Send no money, take no risks, make no promises. Simply clip, sign and mail the coupon and the New Combined Treatment will be sent, fully prepaid, together with the valuable book on Catarrh.
